## THE BUILDING TEAM NEEDS YOUR HELP!

Sometimes we need to allow contractors to access our church and Hall, so they can come and bring us quotes, or do essential works. This requires a key holder to be available on the day to allow access to the site. And someone who is reliable to liaise with the contractors. Sometimes contractors can be hard to chase so we need someone who can be persistent and polite. Could this be you or somebody you know in the wider community? Please let Katie or Ali know as soon as possible.

Thank you

## MUSIC GROUP

If anyone would like to play their instrument in the music group when the Caroes are playing please get in touch with Kate or Chris at [chriscaroe@yahoo.co.uk](mailto:chriscaroe@yahoo.co.uk) Tel. 07790 869278 or 2621345.

## CHERNOBYL CHILDREN'S LIFE LINE

On 21st July 9 children, 8 girls and 1 boy, aged 10-12 years, will be arriving in Sheffield for a month's holiday. They are from the Stolin area of Belarus which was and still is contaminated by the Chernobyl Nuclear Reactor disaster. They come for a month's recuperation and are from some disadvantaged families. If you have any good second hand clothes for their age group or younger children, as they can take things home for siblings, please will you bring them to church. I will put a box at the back or just give them to me. Many thanks, Dorothy.

## **JUNE WORKING MORNINGS FRIDAY 8<sup>TH</sup> SATURDAY 9<sup>TH</sup>**

Here is a list of general maintenance jobs that need doing this month as advised by the church architect on her recent visit.

1. Clear all the dead leaves away from around both the church and the Hall especially outside the Hall Kitchen and in front of the Hall and in the trench around the crypt. Ensure the leaves have been taken out of the drain covers.
2. Prune the roses on the south side of the church remove all the weeds growing in the flower beds on the south side. This includes brambles which are clogging drains. Check the soil levels which appear to be high.
3. Remove all weeds growing at the foot of the building in the trench running around the crypt.
4. Remove all the weeds and saplings growing in the drainage areas running the length of the west and south side of the hall. These should be kept clear at all times.
5. Trim the fuschia bushes growing on the west side of the church, remove all the weeds growing between them. Begin clearing the garden area outside the entrance to the church and running alongside the footpath to keep the footpath running around the church clear and wide enough to be safely used by all.

The above list are jobs which must be done for the good of the buildings and the safety of people using the footpaths. There are more tasks to do relating to the general maintenance of the church grounds.

Please come along and lend a hand if you possibly can. It is our church we should all have an interest in maintaining the buildings and the grounds.

## **TOTLEY SHOW**

The Totley Show will be held on 15th September 2018. Once again the church will provide children's games and a bouncy castle. We need 4 to 6 people to run this on behalf of All Saints. Please speak to Liz, Angela or Mell Camateras if you can help.

## **CHRISTMAS TREE FESTIVAL**

The Christmas Tree Festival is planned to take place from Wednesday 12th December to Saturday 15th December. Please put the dates in your diaries. In order to make this a success we will need help and support from the wider church. More details will follow in due course.

## **CHURCH HALL**

Please could we remind all church groups and individuals to check with Beth Booth (2365512) that the church hall is available *before* arranging church events? Thank you.
