CHERNOBYL CHILDREN'S LIFE LINE

On 21st July 9 children, 8 girls and 1 boy, aged 10-12 years, will be arriving in Sheffield for a month's holiday. They are from the Stolin area of Belarus which was and still is contaminated by the Chernobyl Nuclear Reactor disaster. They come for a month's recuperation and are from some disadvantaged families. If you have any good second hand clothes for their age group or younger children, as they can take things home for siblings, please will you bring them to church. I will put a box at the back or just give them to me. Many thanks, Dorothy.
