

## **Mission Action Plan 2**

The PCC team would like to thank everyone who has contributed their ideas so far. This was through the flip paper exercise in the church hall and also their completion of the questionnaire. We gave out over 100 of the questionnaires and have so far received 16 back. If you have not already done so, can you **please return your complete Mission Action Plan 2 questionnaires by Sunday 19th November** if possible as we would really like to hear your ideas. If you will not be able to return by the 19th can you, please email me ([woodcock.rachael@gmail.com](mailto:woodcock.rachael@gmail.com)) with your ideas and comments by Tuesday 21st November.

The next step will be to put together a summary discussion document for people to discuss, pray and further comment on during early December. This will be done either in small groups or if you are not part of a small group, copies will be available in church for individuals to consider.

Thank you! Rachael Woodcock (PCC member)
